

## **Create a Legacy**

By establishing a Jackie Robinson Foundation Scholarship Endowment Fund, you will be joining 31 supporters who have created their own legacy of supporting the education and leadership development of talented young minority students. An endowment fund is the most enduring way of demonstrating a commitment to providing opportunity through education.

With a generous contribution of \$250,000, you can create a JRF Scholarship Endowment Fund in *perpetuity* which will generate income for the Foundation to support a new JRF Scholar for every four year cycle under the name you determine. With this one-time contribution, you will forever be linked to a premiere program and supporting generations of JRF Scholars who will be ambassadors of Jackie Robinson's belief that "a life is not important except in the impact it has on other lives."

## **Scholar Services**

- Your generous support pays for a program that is a national paradigm designed to prepare our Scholars to be competitors in a global economy, aware of the plight of the disenfranchised and capable of rising to the challenges of the 21st century.

These services include:

- A generous 4-year scholarship of up to \$7,500 per year
- Scholar's participation at [Networking Weekend](#)
- Year-round mentoring services
- Career guidance and internship placement
- Leadership development
- Practical life skills training
- Podcasts, regional seminars and other yearly "touch-points"
- International fellowship opportunities

## **How to Establish an Endowed Scholar Account**

To endow a JRF Scholar, please contact the Development Office:

New York City: (212) 290-8600
